Who is Tegra?

Tegra Premedia is a specialised provider of premedia services across the entire publishing value chain. With a global business development office in London and a state-of-the-art development centre in India, Tegra significantly leverages the proven global delivery model to provide world-class prepress and premedia services to our clients, who are predominantly leading publishing houses spread across the continents. Reader's Digest, Succès-du-Livre, Geddes & Grosset, D.C. Thompson and Saraband, to name a few, are some of our established and longstanding clients.
